

Notice of road works on Palmerston Street

Monday 17 February until early March

What is happening?

- **New entry on Palmerston St**

We're building a new entry and driveway to the site on Palmerston Street, to make the area safe while trucks and machinery enter and exit our work site.

- **Closure of car parks**

To keep everyone safe, we need to close car parks on the south side of Palmerston St from 17 February.

- **Closure from 8pm 16 February**

We ask that residents do not park in the car parks on the south side of Palmerston Street from 8pm 16 February.

- **These works have been approved by City of Melbourne.**

Can I access Palmerston St during the road works?

- Yes – Palmerston Street will remain open to pedestrians, cyclists and cars during these road works.
- Traffic controllers will hold traffic for 5-10 minute periods, to allow safe movement of machinery and works.
- Allow extra time to reach your destination on time.

When will this work take place?

- 17 February – early March
- Monday – Friday, 7am - 7pm
- Saturday - 8am - 3pm
