Relocations have commenced at 259 Malvern Road, South Yarra and 139 Highett Street, Richmond, with new homes across the road at Elizabeth Street, Richmond to be ready in August.

What is happening in other precincts

Relocations in the first stage of the program are well underway at:

- 12 Holland Court and 120 Racecourse Road, Flemington
- 33 Alfred Street, North Melbourne

In those buildings, around 70% of residents have already moved into safe, suitable homes – many within their local area. Another 20% are in the process of moving.

Homes Victoria continues to support each household individually, understanding that every resident's needs and circumstances are different.

What you need to do

Now is the time to keep talking with us so we can continue to support you in planning and progressing your move.
