

# Building Works

1 April – 31 May

## What is happening?

Between **8:30am and 5:30pm Monday to Friday**, we are undertaking a range of concrete investigation works in empty apartments and soil sampling – all to help us plan for the future.

## What to expect

There will be short bursts of loud noise as crews use drills, machinery and power tools.

We will keep you updated.

## What to do

- We ask you to follow signs and directions from work crews.
- There will be some loud noise and dust – you may need to close windows and doors.
- We do not need access to your home. You will be able to access your home at all times.
