

# Community Update

North Melbourne housing precinct

July 2025

## Progress update

The health and safety of all residents is our number one priority.

Our focus is on helping and supporting people to relocate from 33 Alfred St.

No demolition work will take place while the building is still occupied.

## Supporting people to relocate

To support households who need to relocate, we are holding another Relocations Check-In session.

Come and talk to the team about your latest offer and get the help you need to move as soon as possible.

We will have interpreters, and you can bring a friend or support person.

## Relocations Check-in Drop in

- 3pm – 7pm Tuesday 8 July
- 159 Melrose St Community Room
- Drop in anytime
- CoHealth will be at these sessions to help ensure households are connected with support.

## Upcoming works

All our works programs are carried out to the highest safety standards and legal requirements.

## What is happening

Contractors will be undertaking the following activities:

- Surveying and soil investigations on the estate.
- Inspections inside empty apartments in 33 Alfred Street.
- Taking samples of concrete from a small number of locations at 33 Alfred Street.
- Securing and making safe vacant units.
- Upgrading sprinklers and smoke detectors on each level at 12 Sutton Street.

## Got a question?

If you have any questions, you can talk to the local housing office.
