

House Creek, Wodonga

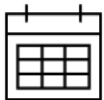

Works Notice

Demolition works

As part of Victoria's Big Housing Build, we're delivering more and better homes in Wodonga.

To prepare our House Creek site for the construction of new homes, we will be carrying out demolition works in **Schlink, Carkeek and Hereford Streets**.

November 2025 – Early 2026

7am – 6pm, Monday – Friday
9am – 1pm, Saturday

Activity	Details	What to expect
Demolition works	• Installation of temporary fencing around the demolition site. • Safe removal of some trees on the site and adjoining nature strips. • Boarding up of vacant homes. • Demolition of vacant homes as well as all above-ground structures. • Minor excavation to remove below-ground structures, including pipes and services. • Safe removal of hazardous materials, such as asbestos.	• Site safely fenced off and restricted to contractors only. • Heavy machinery operating. • Local traffic changes, including heavy trucks entering and leaving the area. • Medium-level vibrations. • High-level noise and dust.

FAQ's

Who is doing the works?

A professional demolition contractor with expertise in asbestos removal will undertake the main demolition works.

Will there be any impact on me or my family?

Our contractor will use control measures, such as dust suppression and noise reduction equipment to reduce impacts as much as possible.

Access to the site will be restricted to contractors only.

All works will be managed in line with WorkSafe Victoria and Environment Protection Authority (EPA) Victoria regulations.

We thank you for your patience while we undertake these critical works.
