

Thi and Cindy love their new home at Elizabeth Street, Richmond.

Thi and Cindy

Thi and her daughter Cindy relocated from their old walk up apartment on Elizabeth Street into one of Homes Victoria's brand new homes next door.

Cindy recalled how the relocations team supported them through every step starting with securing a new home where they could stay in the local community then providing packing boxes and wrapping materials, booking removalists and getting rid of items they no longer needed.

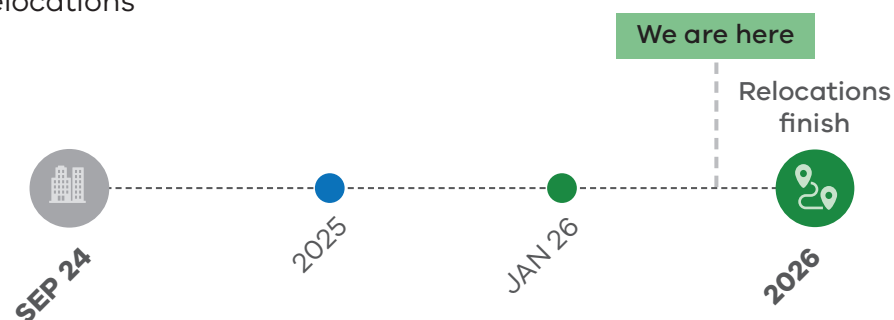

"Their support made the move much easier."

Richmond relocations update

With nearly 90% of relocating residents now moved or in the process of moving relocations are on track to finish soon.

February 2026

Upcoming works and events in Richmond

All works are carried out to the highest safety standards and legal requirements.

You may notice:

- Trucks removing unwanted items from vacant apartments
- Some low level noise as vacant apartments are investigated and secured
- Moving vans parked on Elizabeth Street and Lewis Court as residents move in to new homes
- Clean up works with small machinery behind fencing

No demolition works will take place while buildings are occupied

Our work is guided by your Council's standard work hours:

Monday to Friday
between 7am and 6pm

Saturday
between 9am and 3pm

For residents needing more information contact your local housing office:

📞 1300 598 521

✉️ richmond.housing@dffh.vic.gov.au

Sometimes a council permit is needed to work outside these hours but we will let residents know if this happens.

Pre-demolition works timeline

139 Highett Street and walk-ups at Elizabeth Street and Williams and Anderson Courts

We are here

1. Learning more and making things safe

Securing vacant apartments

Inspecting site and buildings to manage materials safely

Continuing routine maintenance

Mid-2026

2. Getting ready

- Setting up site and signage for safety
- Checking service connections
- Making access safe for pedestrians, cars and car parking
- Working inside buildings to make them safe and prepare for demolition

2026

3. Demolition

- Installing scaffolding
- Taking out internal fittings
- Taking down building in careful stages
- Regular community updates
