

WORKS NOTICE

Site preparation works

From May 2026

As part of the Big Housing Build we're building more and better homes at Pound Road in Colac.

To prepare the site for the construction of new homes, we will install permanent fencing along the cemetery boundary, conduct earthworks and establish stormwater infrastructure. Site preparation works are expected to be complete by the end of 2026.

Install permanent
fencing along cemetery
boundary.

Heavy equipment
operating in the area

All works will be compliant
with WorkSafe Victoria and
EPA Victoria regulations
