

Benalla West

Project fact sheet

Artist's impression of new 3-bedroom homes facing Waminda Park

We are building 48 modern, accessible and energy efficient social and affordable homes in the Benalla West neighbourhood.

The new homes include a mix of one-, 2-, 3- and 4-bedrooms in a townhouse style.

Waminda Park will be upgraded to be more inclusive and accessible, including new play equipment for children.

The project is funded through the Victorian Government's Big Housing Build.
