

BIG HOUSING BUILD

Pound Road, Colac

Works notice

Temporary road closure: Pound Road sewer works

Date in effect: 7am Tuesday 7 July until 5pm Friday 10 July

As part of the Big Housing Build, Homes Victoria is building more and better homes at Pound Road, Colac.

We started preparing the site for the much-needed new homes in May 2026. We now need to close Pound Road for a short period for important sewer works.

What we are doing

We need to temporarily close Pound Road for important sewer works. When the new homes are built they will be connected to the town system.

When to expect us

Pound Road will be **closed day and night from 7am on Tuesday 7 July**. Weather permitting, we expect the road to be **re-opened by 5pm on Friday 10 July**.

What to expect

Pound Road will be closed to through traffic at the intersection of Gravesend Street to the west and Queen Street to the east. Through traffic should follow detour signs.

Access will be maintained for businesses and residents on Pound Road.

Pedestrians

The Pound Road footpath will be closed at the works zone, impacting pedestrian access between Gravesend Street and Queen Street. Please plan your alternative foot travel in advance.

Public transport

The bus stop at 108 Pound Road will be closed during these works and the bus routes will follow detours. Passengers can use alternative bus stops at the Colac Library and Learning Centre (Queen Street) or Colac Cemetery (71 Gravesend Street).

Who is doing the works

Homes Victoria has engaged a civil works contractor to undertake these works. If you have any questions or concerns, please contact site manager Sam Norris on 0487 055 410.

Thanks for your patience

Thank you for your patience while we undertake these critical works.
