

Soil removal work at Prahran

September 2021

Soil removal work is about to take place to get ready for the new housing development.

Works are being managed by Icon Construction

You will see work on site at Bangs Street starting **mid-September.**

The works will take place between
7:00am - 5.30pm - Monday to Friday.
9:00am - 3:00pm Saturday.

For more information about the project please go to:

What will these works look like?

These works will include removing contaminated soil and disposing of it safely.

Works will be managed by an experienced removalist in accordance with WorkSafe Victoria and the Environmental Protection Authority (EPA).

Removalists on site will be in Personal Protective Equipment (PPE) including bodysuits, gloves, eye protection and masks. This is normal to keep the workers and community safe.

Air quality monitoring to make sure conditions remain safe for neighbouring homes and businesses.
