

# Works Notice

Bangs Street, Prahran

September 2022

Dear resident,

Construction is underway at Bangs Street, Prahran to deliver new housing to give more Victorians a safe, secure place to call home.

The new development will include 445 sustainably designed, contemporary social and market rental homes and provide better open space that improve the local area, and landscaping for everyone to enjoy.

## What's happening next?

The next crane will arrive on site **Friday 30 September and Saturday 1 October**. The crane will be brought onto the site during normal work hours.

The crane will be assembled inside site, so local roads will not be impacted.

The cranes will be 40 to 50 metres tall and will remain on site until building works are complete in mid-2023.

Cranes on site will operate in accordance with local noise laws for residential construction activities. We will take all steps to ensure noise and other amenity impacts are kept to a minimum for residents.
